January 2021

New Vice Chancellor of Academic Affairs

- **Dr. Tom Sudkamp** has served ODHE since 2019 as the executive director of the Ohio Strong Start to Finish program. Prior to that, he served in various academic leadership roles over more than three decades in higher education, most recently as provost and vice president for curriculum and instruction at Wright State University.

Education Pathways Task Force (Public EPPs)

COVID-19 Guidance

- ODHE is providing flexibility in meeting field experience requirements this year
- The Educator Preparation Program is to provide alternative experiences that will give the candidate the opportunity to meet the expectations associated with the experience.

Program review update

- No longer working with consultant
- All continuing programs submitted and under review are considered to be in compliance
- Some proposals were sent to panels last week
- Recommendations for revision or clarification went out last week to the appropriate EPP
- Background summaries for posting of proposals recommended for approval are currently being completed
- A few new proposals have been completed and are working their way through the signature process

Spring review cycle

- Programs up for review this spring should be submitted by March 15th using current forms
- Will continue with hybrid approach using panels to complete reviews.
 - If interested in participating send email noting discipline expertise to EdPrep@highered.ohio.gov
 - Expectation is for a much smoother process
- Please submit survey distribution lists for spring to EdPrep@highered.ohio.gov
