To SPA or not to SPA

- Recruited to address trend of EPP's moving away from SPA reviews
- First meeting April 30, 2020 and continued to meet every Thursday through summer
 - Discussed current program review process and role of SPA's along with state reviews
 - Next meeting laid out a framework for a new state program review process
 - Invited current consultants to provide insight
 - Changed name to Ed Prep Program Review Redesign (EPPRR) committee

EPPRR committee

- Met every Wednesday fall 2020, continuing this spring
- Design considerations
 - Develop calendar for EPP's to submit all programs at the same time corresponding to 2 years prior to CAEP site visit.
 - Crosswalk development for each program to demonstrate curriculum and assessments align to national standards
 - Common elements report
 - reviewed by Chancellor's Council for Educator Preparation Programs (CCEPP)
 - Program report reviewed by faculty panels

EPPRR committee

- Other elements we are working on
 - Incorporation of 2-year program review and community college representation
 - Video conference option with faculty panels and program personnel if there are questions as opposed to back and forth through ODHE
 - Working to develop manual and forms for submission and review
 - Provide transition time, allow for programs to be reviewed until their scheduled state review
 - Hope to implement fully fall 2022

Forms being developed for submission

- EPP submission
 - CCEPP report - common elements
 - Program reports
 - Initial licensure
 - Advanced Programs
 - Endorsements
 - Alternative licensure
 - 2-year programs

Forms being developed for review

- Chancellor's Council for Educator Preparation Programs
 - form to review CCEPP or common elements report
 - form for recommendation and/or approval letter to cover all programs of EPP - what gets sent to ODHE
- faculty panels for programmatic review
 - program review form to submit to CCEPP
 - Different review form for different type of program outlined in submission

Plan for this academic year

- Hybrid model using current submission process and forms. (No change for institutions)
- Review by faculty panels – using current feedback forms
 - Current consultants signed up to serve in leadership role
 - 76 plus faculty volunteered and are serving
 - Faculty on panels have opportunity to provide input into what works and what could be improved.

Opportunity for Stakeholder feedback

- As the process is developed multiple entities are being communicated with and asked for feedback:
 - EPPRR
 - SUED and OAPCTE
 - Accreditation Coordinators
 - Faculty Panel Chairs
 - Faculty panels asked for feedback as they conduct their reviews
