

In partnership with:

Save the Dates: March 13-15, 2024

11th Annual Statewide Conference • The Conference Center at OCLC **Bridging the P20 Divide: Working Together to Improve Learning Opportunities and Outcomes for ALL Children and Youth**

This three-day conference is designed to bring educators and leaders from across the P20 continuum together to learn about current topics impacting our schools, educators, and students and the education landscape, as well as share resources to support you and your teams. In addition to keynote and learning sessions, there will also be time for attendees to connect and network with others. This year's theme is *Bridging the P20 Divide: Working Together to Improve Learning Opportunities and Outcomes for ALL Children and Youth*.

opportunities

KEYNOTE SPEAKERS

ALLISON SKERRETT, Director of Education, College of Education, Louie Spence Griffeth Fellow for Excellence

Allison also serves as director of the University of Texas Urban Teachers Program, a professor in the Language and Literacy Studies program area, and an affiliate faculty member in the Cultural Studies in Education program area in the Department of Curriculum and Instruction. She is also the faculty advisor for the University of Texas Urban Teachers Secondary English Teacher Education Program. Skerrett was instrumental in co-leading a team of faculty to transform the teacher education program to use evidence-based practices in preparing pre-service teachers to teach in culturally responsive ways. As director of the teacher education program, Skerrett provides intellectual, curricular and programmatic, as well as organizational leadership to the College of Education teacher education programs.

PASI SAHLBERG, Professor of Educational Leadership, University of Melbourne & Author

Pasi Sahlberg has worked as a schoolteacher, teacher-educator, academic, and policymaker in Finland, and he has advised schools and education system leaders around the world. He served as a senior education specialist at the World Bank, lead education specialist at the European Training Foundation, director general at the Finland's Ministry of Education and Culture (CIMO), and visiting professor of Practice at Harvard University. In 2013, his book, *Finnish Lessons: What Can the World Learn from Educational Change in Finland*, won the Grawemeyer Award. His most recent books include, *Let the Children Play: How More Play Will Save Our Schools and Help Children Thrive* (2019, with William Doyle), *Finnish Lessons 3.0: What Can the World Learn from Educational Change in Finland* (2021), and *In Teachers We Trust: The Finnish Way to World-class Schools* (2021, with Tim Walker).
