The Conference Center at OCLC

Addressing the Mental Health Needs of Students and Educators: Implications for P20 Partnerships

This one-day, special event is designed to bring personnel from districts-schools, higher education, state and regional agencies, and others across the P20 continuum together to learn from experts and each other on how to effectively address the mental health and wellness needs of all children and youth, as well as the adults who teach and support them.

Join us and leaders from the Ohio Department of Education and Workforce for this no-cost event to learn about the importance of P20 partnerships, existing high-quality resources, and the multiple efforts underway in Ohio at the state, district, school, and higher education levels.

WHO SHOULD ATTEND?

- P-12 district and school personnel (e.g., superintendents; principals; teachers, directors of student well-being, human services, pupil personnel, special education, other central officer personnel)
- Related services personnel (e.g., school psychologists, school counselors)
- Mental health personnel/providers (e.g., social workers, counselors)
- Higher education personnel (deans/heads of teacher education, faculty, staff)
- Teacher education candidates, other higher education students
- Professional association representatives
- State and regional personnel
- Other interested individuals (e.g., community organization representatives)

KEYNOTE SPEAKER

CARRIE SANCHEZ, *Director of Leadership & Learning, North Point Educational Service Center*

Carrie Sanchez, M.Ed., Ed.S. began her career in education as a K-12 music teacher at Hardin Northern Local Schools in Ada, Ohio. In 1999 she accepted the position of Director of Choral Activities and Drama at Bellevue Senior High School in Bellevue, Ohio. After 13 years in the classroom, Sanchez transitioned to the principal's office in 2009 as Principal of Port Clinton Middle School. In 2022, Carrie joined the North Point Educational Service Center administrative team as the Director of Leadership and Learning. Her leadership coaching and teaching serves over 27 Northern Ohio school districts reaching nearly two hundred school administrators and curriculum leaders and over one thousand teachers which impacts over 40,000 students in the region.
